## PROMOTING COMMUNITY *and* SUPPORTING HAYWOOD COUNTY.

**Haywood's Historic Farmers Market** is a producer-only market, featuring vendors from Haywood and surrounding counties. We offer local produce, meats, NC seafood, eggs, honey, dairy, preserves, baked goods, flowers, handmade crafts, and much more.

Our mission is to

- provide local farms with a thriving market to sell their products
- preserve Haywood Co. farms, farmland, and heritage
- connect Haywood Co. residents to local food
- provide educational experiences and opportunities to customers
- improve the health of our Haywood Co. community

We strive to create connections between local makers and growers and customers in our community--not only at the market but also with businesses in the surrounding community!
